EcoReps Application

2019-2020

Please complete all question, do not exceed 200 words per answer.

1. Tell us about a time when something important didn't work out as you had hoped. How did you respond, and what did you learn?

2. What does leadership mean to you? Describe a person who influenced your leadership style, and how they changed your perspective.

3. Part of your role as an EcoRep is to create programs with other EcoReps on campus (program funding is provided). What is an example of a program you would put on for your hall as an EcoRep to teach people about sustainability?

4. What do you hope to learn in the EcoReps Program, and how do you hope to apply what you learn to your time at CU Boulder?

5. Where did your interest in sustainability come from and how is it important to your daily life?
